Human Right: _____

Describe nature and extent of unfulfilled human right.

Human Right: _____

Describe nature and extent of unfulfilled human right.

Household A

What benefit could this allocation decision have on their lives?

Household B

What benefit could this allocation decision have on their lives?

Household C

What benefit could this allocation decision have on their lives?

Test Compatibility

Who have you decided to allocate the property to?	Household A	Household B	Household C

Is it lawful?
Do laws and regulations support the allocation of the property to the chosen household?

Is there a purpose?
Does the allocation support the delivery of the program/service?

Is it rational?
Will the allocation effectively achieve program/service outcomes?

Is it necessary?
Does this allocation provide the most benefit? Is it the least restrictive option?

Is it fair and balanced?
Do the benefits of this allocation decision outweigh ongoing limitations to others?

Justify Decision

In the box to the right, give reasons for your decision. Describe the expected outcome for those people involved in this decision and list the factors you considered, for and against.

Expected outcome:
